### **MSHA Honors Freddy Davis for 40 Years without an Accident**

**MACON, GA. November 9, 2017** - KaMin LLC announced today that Freddy Davis, Director of Plant Maintenance, was recognized for 40 years in the mining industry without an accident at the MSHA (Mine Safety and Health Administration) Southeastern Conference in Birmingham, AL. Jason Maxwell, Vice President of Operations, remarked, “KaMin is a stronger, safer company because of Freddy Davis and his commitment to safety. We recently celebrated Freddy’s fortieth anniversary with the company, and this honor by MSHA underscores again his commitment to safety and to the Company, and we thank him for being an example that we all can emulate.” He added, “We are proud of Freddy’s remarkable achievement, and we are grateful to MSHA for this award.”

**About KaMin LLC**– With over 90 years of experience in mining and processing kaolin clay, KaMin delivers value to customers worldwide with high quality kaolin solutions for the most demanding applications.

KaMin mines and produces its kaolin in the US at three Georgia plants – Macon, Sandersville and Wrens. KaMin has been recognized not only as a leader in product quality and export volumes, but also in its safe mining practices for many consecutive years.
