KaMin LLC Announces Price Increase for Industrial Grade Kaolin Clays

MACON, GA. November 1, 2017 - KaMin LLC announced today that it will increase prices for kaolin clay products for the global industrial markets 5% effective January 1, 2018, or as contracts allow. “This price increase is necessary to ensure our long term sustainability,” stated Mark Gillespie, Vice President of Commercial. “KaMin has continued to invest to meet regulatory requirements, as well as continued increases in labor, energy and freight/logistics costs.”

About KaMin LLC– With over 90 years of experience in mining and processing kaolin clay, KaMin delivers value to customers worldwide with high quality kaolin solutions for the most demanding applications.

KaMin mines and produces its kaolin in the US at three Georgia plants – Macon, Sandersville and Wrens. KaMin has been recognized not only as a leader in product quality and export volumes, but also in its safe mining practices for many consecutive years.
